

Aspect™ Marine Youth Renewal Oil

Revitalise the skin with **Aspect™ Marine Youth Renewal Oil**, a lightweight, replenishing facial oil that plumps and visibly firms the skin using the power of triple microalgae complex, antioxidants and hyaluronic acid. Suitable for all skin types, including dehydrated, ageing and sensitive skins, Marine Youth Renewal Oil's key actives fortifies and protects the skin barrier from environmental stressors, leaving skin looking noticeably calmer, nourished and supported.

Key Ingredients and Benefits:

- **Laminaria Digitata:** Brown algae nourishes and re-fortifies the skin.
- **Dunaliella Salina Extract:** Purified pink algae extract that promotes skin recovery from environmental stressors.
- **Cylindrotheca Fusiformis:** Microalgae that provides powerful anti-wrinkle properties and a plumping effect.
- **Hyaluronic Acid Spheres:** Low molecular weight HA encapsulated in a delivery system to provide long-lasting moisturisation.
- **Lipid Complex (Safflower Seed Oil, Jojoba Seed Oil, Tocopherol and Glycine Soja Oil):** Complex of skin moisturising lipids to support the skin barrier against environmental aggressors.

Directions: AM / PM. Apply one pump to clean dry skin. Marine Youth Renewal Oil is gentle enough to be applied around the eye area and can be applied on its own or before any of your favourite serums and moisturises.

Aspect™ Marine Youth Renewal Oil
