

Aspect™ Lip Perfecting Mask

Achieve the perfect pout with **Aspect™ Lip Perfecting Mask**. This multitasking, cosmeceutical lip treatment has been developed with a powerhouse of ceramides and advanced actives to instantly plump and target common lip concerns including lip volume, vertical lines, dryness, and dehydration. Formulated to deeply nourish, hydrate, and enhance lip definition, with regular use, Lip Perfecting Mask soothes dry, irritated, and chapped lips caused by environmental aggressors. Perfect for maintaining lips with fillers, this ultimate lip mask will leave lips looking softer, smoother, fuller and defined.

Key Ingredients and Benefits:

- **Ceramide 3:** Supports the renewal of the skin's natural protective layer.
- **Voluform™ & Hilurlip:** Advanced long-term hydration booster for the lips and lip-plumping effects.
- **Pomegranate Sterol:** A rich source of essential fatty acids and a known super antioxidant.
- **Persicaria Tinctoria extract:** Rich in Indirubin, provides a pink blush effect. It is high in antioxidants and soothes sore, chapped lips.

Directions: Apply to the lip area twice a day or as needed. For optimal results, gently exfoliate the lip area 1 – 2 times a week using Aspect Fruit Enzyme Mask or Aspect Illuminating Polish. Apply Lip Perfecting Mask post exfoliation to hydrate and protect the lip area.
